Dedication

MR. EDWARD CALVIN WILSON

Calvin Wilson was born on September 5, 1940, at Frenchton, Upshur County, West Virginia. He attended Buckhannon-Upshur High School and while there the sport he participated in was baseball. Remaining loyal, in spirit, to his Old Alma Mater, he was very proud of the fact that Buckhannon-Upshur was the Class AAA football champions of West Virginia for the year 1963-64.

After graduation, Mr. Wilson entered West Virginia Wesleyan College. While at college he played baseball and was a member of the track team. Having had a great interest in "facts" he graduated with a Bachelor of Science Degree and majored in mathematics and minored in Physics.

Mr. Wilson is one of our busiest teachers at Van and teaches the following classes: Algebra I and II, Plane Geometry, Physics, and instructs a special class in Solid Geometry and Trigonometry. He has been a member of our faculty for two years.

He is a member of the Masonic Lodge and is an assistant councilman in The Boy Scouts of America. His hobbies are varied, but most of all he enjoys hunting and playing golf. He and his wife, Loretta, reside at Washington Avenue in Madison, West Virginia.

The Vancourier Staff is happy to dedicate this annual to Mr. Wilson and wish him the best of luck.

*Best wishes Bobby
Calvin Wilson*

TEAMWORK-NATTY UNIFORMS

The year 1964 was a long season for both boys and coaches, as they won only one game.

The prospects for a 1965 banner season are much brighter for all of the players have had one year's experience.

Harold Vance, Pitcher

SHOULD SPELL SUCCESS

With "playball" this year the boys will take their positions dressed in new gold and blue trimmed uniforms, purchased by the Student Council.

This should really inspire more hustle in each and every player.

The Hands at the Wheel

Do Johnny and Bobby know anymore about typing than the Juniors?

Temporarily out of work!

"I sorta feel sorry for teachers... remember, we got them out-numbered!"

Someone was awful trusting! On Distinction Day.

Burning the midnight oil.

Let's hope these aren't the scientist of tomorrow!

What's a camera hog doing among these dedicated teachers?

WILLIAM W. WINDON, JR.

Mr. Windon, born in West Milford, West Virginia was appointed principal of Van High School this year. He received his B. S. degree from Rhode Island College and his M. A. from Marshall University. He also attended Fairmont State College, University of Maryland, and West Virginia University.

His former educational experience includes teaching in three states: West Virginia, Maryland, and Ohio. He has taught Business Education, English, Physical Education, and Health. He has also been a coach, coaching basketball, baseball, soccer and track.

Mr. Windon is experienced and well qualified to be principal of our school. He is very interested in the students and our school. He has shown this by making several improvements at Van High this year.

We, the Vancourier Staff, wish to extend our congratulations and thanks for a job well done.

Administration

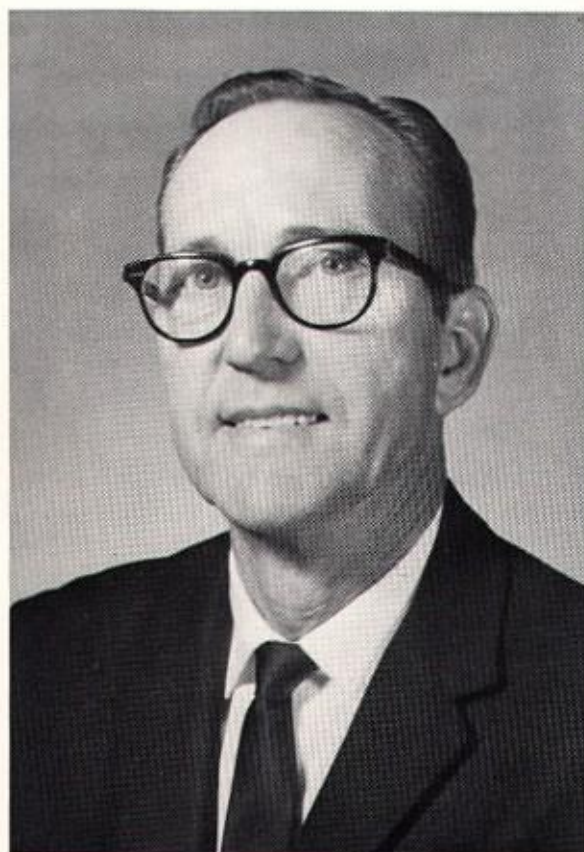

CHARLOTTE SITTON

Charlotte Sitton, born in Van, West Virginia, has been our secretary for nine years. Known by all her friends as "Nickie", she has been a very friendly and efficient secretary.

MEMORIAM

William Floyd McCormick

William Floyd McCormick was born December 22, 1946 at Madison, West Virginia, and at the time of his death he was residing with his parents Mr. and Mrs. Rush McCormick at Quinland, West Virginia.

Billy was a member of the Junior class and the Junior Varsity basketball team.

He was killed Saturday evening, November 7, 1964, near his home, while riding a motor bike.

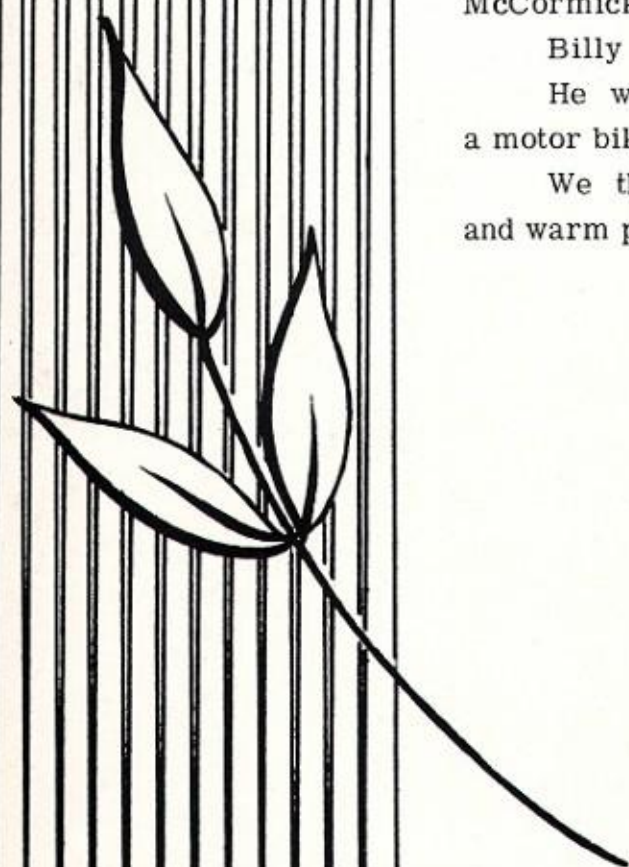

We the students of Van High School will always remember Billy for his cheerful and warm personality and feel we have lost a good friend.

I cannot say, and I will not say
That he is dead. He is just away!

With a cheery smile and a wave of the
hand,
He has wandered into an unknown
land,

And left us dreaming how very fair
It needs must be, since he lingers
there.

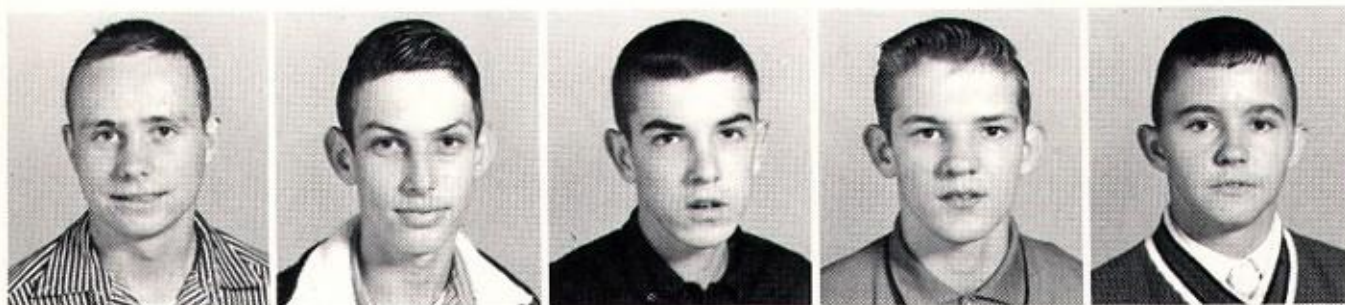

Think of him still as the same, I say;
He is not dead--he is just--away!

Where you are from is of little value, where you are going is what counts.

Going somewhere just to be going is worth little. What really counts is the direction in which you are headed. So actually, a kick is as good as a shove if you are headed in the right direction.

CONGRATULATIONS TO THE CLASS OF '65'

THE MOON... and beyond!

Bright, new horizons await today's students . . . new technologies . . . new medicines . . . even the moon and whatever lies beyond.

How far today's students go in this space age depends partly on their imagination but primarily on their training. Conquering new horizons will demand more of today's graduates — more knowledge, more skills, more training and more specialization.

Our Free Enterprise system, with its high living standards, gives everyone an opportunity to "shoot for the moon" in any field. Whether or not our target is reached depends on how well trained we are to launch ourselves.

 A very nice, sweet, & cute boy. I have
 enjoyed going to school with you &
 you are a wonderful sport. Wish you
 could have got your wish but things
 will work out o'k. Best of luck
 because you deserve it. Remember me
 to the American History class cause
 I'll never forget you. Best
 luck & may God bless you.
 Love ya!

HELPING HANDS

The hands at home so soon we leave
 And go beyond their reach-
 We step on out and place our faith
 In the hands of those who teach.

The hands of time move on and soon
 The school days too must end-
 But no man is an island
 For we reach out to a friend.

It's hands that lift us up each day
 As down life's path we've trod-
 Until the race is run, and
 We are in the Hands of God.

Bobby,

A real nice boy whom its
been a pleasure to know. Good
luck in everything you attempt
because I think you'll need
it. I hope we'll always be
friends.

A friend,
Jean Peters
(How was that so
bad?) Tell the
truth.

Bobby,

A real cute & sweet guy
who has the bluest eyes
I have ever seen. Good luck
in the future, I'll see you
next year.
